

10 Working in Partnership Policy

Alongside associated procedures in 10.1 to 10.3, this policy was adopted by You and Me on the 8th December 2025 by the Committee.

Aim

You and Me Pre-School actively promote partnership with parents/carers and recognise the importance of working in partnership with other agencies to promote the well-being of children and their families. This includes signposting parents/carers to support as appropriate.

Objectives

- We believe that parents/carers are children's first and most enduring educators and our practice aims to involve and consult parents/carers on all aspects of their child's well-being.
- We also recognise the key role parents/carers must play in the day-to-day organisation of the provision.
- We consider parents/carers views and expectations and will give the opportunity to be involved in the following ways:
 - sharing information about their child's needs, likes, achievements and interests
 - settling in their child to the agreed plan according to our settling in procedures
 - taking part in children's activities and outings
 - contributing with ideas or resources as appropriate to enhance the curriculum of the setting
 - taking part in early learning projects, sharing with educators' knowledge and insights about their child's learning
 - contributing to assessment with information, photos and stories that illustrate how their child is learning within the home environment, taking part in day-to-day family activities
 - taking part in discussion groups
 - taking part in planning, preparing, or simply participating in social activities organised within the setting
 - taking part in a parent forum to encourage the democratic participation of parents in discussions about the day-to-day organisation of the setting, consulting about new developments and other matters as they arise
 - involvement in the review of policies and procedures
 - Ofsted and setting contact details are displayed on the parent/carer notice board for parents/carers who have a complaint that cannot be resolved with the setting

manager in the first instance, or where a parent/carer is concerned that the EYFS standards are not being maintained

Partnership and Signposting to Other Agencies

- We are committed to ensuring effective partnership with other agencies including:
 - local authority early years services about the EYFS, training and staff development
 - local programmes regarding delivering children's centres or the childcare and early education element of children's centres
 - social welfare departments regarding children in need and children who need safeguarding or for whom a child protection plan is in place
 - child development networks and health professionals to support children with disabilities and special needs
 - local community organisations and other childcare and early education providers
 - Ofsted and setting contact details are made available to other agencies who have a complaint that cannot be resolved with the setting manager in the first instance, or where a parent/carer is concerned that the EYFS safeguarding and welfare standards are not being maintained.
